Annual Phone Support Service Agreement

This Agreement is entered into by Gruett's Precision Farm Division (920-324-3598) and the customer for the provision of priority phone support services. Our Precision Farm support staff has a large support area and time is always limited. This contract will allow them to provide a better service for our loyal, local customer.

Eligible Phone Support Units:

- SP Combine harvesters
- SP Forage harvesters
- SP Sprayers
- SP Discbines
- 140+ Tractors
- Planters
- Drills
- Construction
- Precision Components
- All Telematics Registered Units

Service Plan Details:

Annual Fee: \$499.00 per year

This is a one-time fee per grower, per year. Enrolled clients will receive priority phone support.

Standard Charges If Opting Out:

\$50.00 per call (Charges will be determined by the technician based on call length and depth).

Note: Not every call will be determined to be billable.

Billing Information:

Effective billing date for this service plan will be January, 1 2026.

By enrolling in the service plan or utilizing support services, the Client acknowledges and agrees to terms

Eric Hagenow (920-323-6854) Jake Lau (920-868-6401) Justin Premo (920-253-0072)
